Signý Kristín Sigurjónsdóttir

PhD student · University of Iceland

signyk@hi.is signykristin.is github.com/signyk orcid.org/0009-0000-1970-2633 linkedin.com/in/signy-kristin

Education

PhD in Industrial Engineering 2024 – present
University of Iceland, Reykjavík, Iceland

M.Sc.Eng in Mathematical Modelling and Computation 2022 – 2024
Technical University of Denmark (DTU), Lyngby, Denmark

B.Sc. in Computer Science 2018 – 2022
University of Iceland, Reykjavík, Iceland

B.Sc. in Applied Mathematics 2018 – 2021
University of Iceland, Reykjavík, Iceland

Experience

Research Assistant January 2024 – July 2024
University of Iceland, Reykjavík, Iceland

- Developed a simulation model for product development processes. Python
- Text and graph analysis of a collection of PhD theses. Python.

Data Analyst and Programmer August 2020 – December 2023
Heilsugreind ehf., Reykjavík, Iceland

- Projects in collaboration with the National University Hospital of Iceland
- Data processing and analysis, data visualization, optimization and simulation modeling, web app development. Python, R, SQL.

Data Analyst and Programmer May 2020 – August 2020
The Science Institute of the University of Iceland, The Icelandic Centre for Research (Rannís), Reykjavík, Iceland

- Developed a simulation model for the flow of Covid 19 patients in the National University Hospital of Iceland
- Developed a dashboard for the hospital to access the simulation results and visualize the data. R (Shiny).

Teaching

Sessional Lecturer, Operations Research 2 Fall 2025
University of Iceland

Sessional Lecturer, Simulation Spring 2025
University of Iceland

Awards

The Innovation Award of the President of Iceland 2022
Awarded for the project "Better ICU care with data visualization", through the Icelandic Student Innovation Fund.

Projects

Slóði slodi.is

Open-source platform for scouting program planning. Helps leaders and scout groups create, share and manage activities.

Landnáma landnama.is

Track which of the Travelers' Century Club 330 territories you've visited. Compete with friends on shared leaderboards.

Málsháttur malshattur.is

An Iceland Easter tradition says that everyone should get a proverb on Easter. This simple website allows people that don't buy a chocolate Easter egg to still get a proverb and share it.
